

What New Life offers on...

## WEDNESDAY NIGHTS

7-8:15 PM

Fall and Spring Semesters

## Girls Ministry

For girls **Kindergarten through grade 12**

Girls Ministry helps girls grow lasting friendships, develop life skills, learn to make good decisions, and have fun as they move toward a deep relationship with Jesus.

## Royal Rangers

For boys **Kindergarten through grade 12**

Royal Rangers "mentor future men" by offering boys a broad spectrum of hands-on experiences--from developing individual interests to outdoor high adventure.

## You must re-register annually

For our **Wednesday night** classes, you will be asked to fill out a new paper registration form each year.

Our **Sunday AM** Children's Registration is now paperless. We handle the promotion of your child to their new class and keep their school grade updated on their profile. We just ask that you keep your address, email, and phone number up to date.

**3120 Norcrest St, Findlay, OH 45840**

## What we ask of you

### Pick up your children on time

- SUN AM: "On time" means as soon as the service ends.
- WED PM: "On time" means 8:15 pm.

### Don't let finances exclude your child

- Our Wed PM activities have program fees, but no child is excluded due to financial circumstances. Please contact us if you need help.

### Know our fire and tornado plans

- FIRE: While you follow Pastor's directions to exit the building, your children's teacher will be leading them out, too. The Fire Escape Route posted in your child's classroom shows where you should reunite.
- TORNADO: While you follow Pastor's directions to shelter in the Office Wing hallways, your children's teacher will lead them to shelter in the Children's Wing hallways. Afterward, you may reunite in their classroom.

### What we expect of your child

We have five expectations of kids who take part in our programs:

- Show respect to all people at all times
- Follow directions
- Talk only when it's your turn
- Value others by sharing toy/supplies
- Give/receive forgiveness when needed

We do our best to help your kids live up to these expectations. If your child consistently has trouble, we will contact you to discuss how we can work together to improve the situations.

## **SUNDAY PM**

### **High School Small Group**

This group provides young people opportunities to build lasting relationships, discuss the challenges of living their faith, and grow in their relationship with Christ.

## **We love kids!**

Here's what we do to keep them safe:

### **CHILDREN'S REGISTRATION**

#### **If you're new**

In order for your children to take part in our Sunday morning Children's Programming, you must first register them at the Children's Registration Desk.

Among info we request:

- Any allergies/special instructions
- Your authorization for first aid/medical treatment in case of emergency

#### **If your kids are in grades 6-12**

- If your kids take part in our High School Small Group or Wednesday night activities, you must complete an additional form to provide your consent for them to attend meetings, take part in local outings, and receive emergency medical care if needed.

#### **For special events**

- When New Life sponsors special events for children/youth that involve travel out of the area, an overnight stay, or activities like swimming, cycling, boating, hiking, etc., you'll be sent an event-specific consent form with details to help you decide if you want your child to participate.

### **CHECK-IN EACH TIME**

Once registered, your children must check into their class at the Children's Registration kiosks on Sunday mornings.

### **SAFE PICKUP**

If your children are in grade 5 or below, the check-in kiosks will generate a two-part sticker badge for each of them. (Your kids wear the part with their name on it; you keep the other part.)

You will need your section of the badge to pick up your children at their classrooms. If you send someone else to pick up your child, they must have your section of the badge.

### **SECURED KIDS' WING**

Our Toddler through Middle School classrooms are in a wing of the building that is secure and monitored.

### **BACKGROUND CHECKS**

We conduct background checks on ALL volunteers, even if they don't work with kids or have access to the secured Children's Wing.

### **If your child has special needs**

**Talk to us.** We are eager to help you and your child become part of the New Life family. Talk to a Children's Registration volunteer about how we can work with you to make that happen.
